LinkedIn/Portfolio

@ nags1427@gmail.com

At/Po:khariar,nupada,odisha

## SUMMARY

- Creating ideas to help the company increase sales or revenue.
- Helping a co-worker learn a new skill or develop an existing one.
- I think the two most important qualities that make a good civil engineer are creativity and problem-solving skills. They go hand in hand because you have to be able to think outside the box to solve complex infrastructure problems.

## EDUCATION

### Btech in Civil Engineering

Subash Institute of technology.

2021 - 2023 Barang, cuttack

GPA

7 / 10

### Diploma in Civil Engineering

Mahamaya instituted of medical science
